

JUSTIPEN-JUSEIPEN Workshop

Monday, 9 December 2013 - Thursday, 12 December 2013

RIKEN Wako campus

Scientific Programme

Topics related to physics in exotic nuclei, including

Nuclear structure and related topics (theory/experiment)

Nuclear reaction and related topics (theory/experiment)

Nuclear astrophysics and related topics (theory/experiment/observation)

New models and computational approaches

New developments in facilities and devices

See the current time table.
