

[RIBF-ULIC-miniWS031] The way to evaluate the inelastic channel in the
proton resonance elastic scattering

Contribution ID: 4

Type: **not specified**

**Predicted excitation function for inelastic channel of
 $^{32}\text{Mg} + \text{p}$**

Saturday, 31 May 2014 13:10 (20 minutes)

Presenter: Prof. TERANISHI, Takashi (Kyushu Univ.)
