

Advances and perspectives in computational nuclear physics

Monday, 6 October 2014

Session 2-4 - Kohala 3 (Oct. 5,6); Kona 4(Oct.7) (16:00 - 17:30)

-Conveners: Sanjay Reddy

time	[id] title	presenter
16:00	[29] Systematic calculation of electric dipole responses	INAKURA, Tsunenori
16:30	[30] Supernova neutrino physics: A computational challenge	FULLER, George
17:00	[31] Finite nuclei and nuclear matter from lattice QCD	HATSUDA, Tetsuo
