The 10th International Conference on Direct Reactions with Exotic Beams DREB2018

Matsue, Japan, June 4-8, 2018

The 10th International Conference on Direct Reactions with Exotic Beams (DREB) 2018 will be held at Kunibiki Messe, Matsue, Japan June 4-8, 2018. The conference is jointly organized by the School of Science, Tokyo Institute of Technology (Tokyo, Japan) and RCNP, Osaka University (Suita, Japan), and also supported by RIKEN Nishina Center (Wako, Japan) and CNS, University of Tokyo (Wako, Japan). This conference is partially supported by ANPhA (Asian Nuclear Physics Association). The scientific program will be devoted to the latest experimental and theoretical research and developments in nuclear reactions with exotic nuclei. The topics will include the following subjects relevant to direct reactions:

- Spectroscopy of exotic nuclei, such as drip-line and unbound nuclei
- Shell structure and its evolution
- Bulk properties and collective excitations
- Nuclear astrophysics
- Nuclear force
- Advances in direct reaction theory
- New instrumentation for direct reaction studies

The latest information on the conference can be found at the conference website :

1. Venue

The welcome reception will be held at **Karakoro Art Studio (Karakoro Kobo in Japanese)**, from 5pm to 7pm, 3rd, June (Sun.). The registration is open there from 3pm on this day, until 7pm. Please see the map and other information on the welcome reception at:

<https://indico2.riken.jp/event/2536/page/161-welcome-reception>

The oral/poster sessions take place at **Multi-purpose Hall, on the 1st floor (Ground floor) at Kunibiki Messe**. The Registration will re-open on Monday, 4th, June, from

8:30am at the entrance of the **Multi-purpose Hall**. See below:

Oral presentations The oral presentations will be presented using the PC provided in the conference room. We prepare one Windows PC and one MAC PC. Personal laptops cannot be used for the presentation as the presentation time is short and we want to shift quickly between talks. The presentations must be uploaded to the DREB2018 Indico site at least one day before the scheduled presentation time. Uploading instructions can be found on

<https://indico2.riken.jp/event/2536/attachments/7726/9035/SlideUploadInstruction.pdf>

Poster presentations Poster boards (1200 x 2100 mm) will be provided and fit A0 sized posters in portrait orientation. The abstract ID number will be attached in the board. Posters should be put up on Monday morning and will have to be taken down on Thursday evening. The main poster sessions are held on Monday evening, and the poster sessions continue throughout the coffee breaks. We encourage poster presenters to be available near their poster to engage in active discussions. The posters made and presented by BSc/MSc/Ph.D. students will enter to be reviewed for Poser Prize (ANPhA Prize). The best poster prize for experiment and theory will be announced and the winners are awarded in the closing session on Friday.

3. Exhibitor

The exhibitor desks will be located in the entrance area of Multi-purpose Hall in Kunibiki Messe. Exhibitor desks can be set up on Monday morning, and will remain open until Friday morning.

4. Lunch

Lunch is provided **at Small Hall on the 1st floor (Ground floor), at Kunibiki Messe** from Monday to Friday, and is covered by the subsidy from Shimane Prefecture and the City of Matsue. All the registered participants as well as their accompanying persons are welcome to join the lunch.

5. Excursion

The excursion is scheduled on Wednesday afternoon. The destination will be Izumo Taisha Grand Shrine.

From Local Airport (Izumo or Yonago) to Matsue City:

There are two airports, Izumo and Yonago, near the City of Matsue. When you arrive at either airport, we strongly recommend you to take a **Limousine (Airport Connection) bus to Matsue Station (= JR Matsue Station)**, which is conveniently scheduled according to the arrival time of each flight. The bus is expected to wait until all the baggage claims are finished in each flight.

From Yonago Airport to Matsue Station: Fare 990 JPY. Takes about 45min.

When you reach JR Matsue Station, and if you are not sure about the hotel location, try to find **Matsue International Tourist Information office** just in front of the station. It is open from 9:00-19:00. You can ask questions in English/Chinese/Korean there.

8. Sightseeing/Travel Tips

If you are non-Japanese, we advise you to bring your passport along when you visit main attractions (Matsue Castle, Samurai Residence, Lake Shinji Cruise, etc.) in Matsue, as you can get a discount ticket (50% off). See details:

Japan is a cash oriented society. You can use credit cards at big shops, hotels, and airports, but you may need cash in small local stores and small restaurants. For ATM machines, not all ATMs accept foreign cards, ATMs by the Postal Bank or 7-Bank (7-eleven) accept foreign ATM cards, which you can find in Matsue.

9. Satellite Workshop

A satellite workshop will be held on June 11th at Wako to discuss the physics opportunity at the new energy-degraded beam line named OEDO at RIBF. The workshop web site can be found at
