

DREB2018 -- 10th International Conference on Direct Reactions with Exotic Beams

Friday, June 8, 2018

Session 15 - Kunibiki Messe (9:00 AM - 10:12 AM)

time	[id] title	presenter
9:00 AM	[75] Exotic light nuclei from ab initio theory	Dr NAVRATIL, Petr
9:18 AM	[95] Probing three-nucleon-force effects via knockout reactions	Dr MINOMO, Kosho
9:36 AM	[98] Complete Glauber calculations for high-energy inelastic processes	Dr HORIUCHI, Wataru
9:54 AM	[68] Effect of two-particle two-hole excitations in target nuclei on inelastic differential cross sections	Dr MINATO, Futoshi
