

14th Workshop of International Astronomical Consortium for High Energy Calibration

Tuesday 21 May 2019

Session IV: Calibration Uncertainties in Modeling - Room 1&2 (13:00 - 15:00)

-Conveners: Adam Foster

time	[id] title	presenter
13:00	[40] Calibration uncertainties and thermal line models	KAASTRA, Jelle
13:30	[41] Cross-calibration Effects in Modeling X-ray Spectra from Accreting Sources	GARCIA, Javier
14:00	[42] Calibration uncertainties on modeling: timing calibration	TERADA, Yukikatsu
14:30	[61] Discussion
