

Dear Colleagues,

August 12, 2019

**PacificSpin2019:
3rd Circular of The 11th Circum-Pan-Pacific Symposium on
'High Energy Spin Physics'
August 27-30, 2019 at Miyazaki, Japan**

We send you below some information on PacificSpin2019 to be held in Miyazaki on August 27-30, 2019.

If you have questions, please contact us: pacificspin2019@nucl.phys.titech.ac.jp

The web-site of PacificSpin2019 is

1 Scientific Program

The scientific program of PacificSpin2019, August 27-30 is shown on Indico.

<https://indico2.riken.jp/event/3039/program>

Please have a look and check with your schedule. The session starts at 8:40 in the morning on August 27 and at 8:30 on other days. The breakfast at ANA Holiday Inn Resort Miyazaki is available from 6:30 am.

2 PDF file of the slides of the talks

We plan to upload the PDF files of the slides of all the talks. Speakers are requested to bring a PDF file which can be uploaded to Indico.

3 Transportation from Miyazaki airport to ANA Holiday Inn Resort Miyazaki

We have arranged so that students will be at Miyazaki airport and assist you from 13:30 to 18:30 on August 26. When you arrive at Miyazaki airport, we recommend

you to contact those students. They will give you advice whether you should take a shuttle bus service of ANA Holiday Inn Resort Miyazaki or other public transportation. The shuttle bus of the hotel is scheduled to depart from the airport at 14:05, 15:20, 16:35, 17:35, 18:35 on August 26, but the schedule may change in order to maximize the efficiency.

For the information on public transportation, please see the homepage of PacificSpin2019.

4 Registration desk

The registration desk of PacificSpin2019 is open at ANA Holiday Inn Resort Miyazaki on the afternoon of August 26 and on the morning of August 27.

5 Registration fee

Please note that the registration fee is accepted only in cash in Yen. The reduced registration fee (20000Yen, Students 15000Yen) is applied to all the invited speakers and the speakers of contributed talks even if their registration was later than June 27. The registration fee covers excursion, conference dinner on August 28, and also lunches on August 27, 28, 29.

6 Currency exchange

The currency can be exchanged to Yen at Miyazaki airport. A machine for currency exchange is available in the south-most corner on the 1st floor of the airport from 9:00 to 22:00. It is not possible to withdraw cash with credit cards. At ANA Holiday Inn Resort Miyazaki, it is possible to exchange from Dollar, Won, Euro to Yen.

7 Conference dinner

Raw fish is served at the conference dinner on August 28. If you are not able to eat raw fish, please contact the organizers now. We will arrange an alternative dish for you.

8 Excursion

Excursion on August 28 is a bus tour to visit historical spots in Miyazaki. The bus runs first to the south along the Pacific Ocean to visit Udo Shrine. Udo Shrine is built on a seacoast. We also visit Obi Castle. We expect that the excursion will provide you a chance to touch the rich history of Miyazaki.

9 Discussion Session

A discussion session is scheduled every day. Topics include longitudinal spin (helicity) distribution functions, transverse spin physics, lattice QCD for nucleon spin, future directions of nucleon spin physics etc. You have a chance to show a few slides and give a short presentation.

10 The climate

The local climate is hot as we are in the middle of summer, around 33C during the daytime. We recommend you to bring a hat etc. The venue of the symposium is facing the Pacific Ocean. There is a beach in walking distance. About 2 hours of lunch break is scheduled on August 29.
