## Theoretical studies on the nucleon helicity structure

*Thursday, 21 October 2021 11:00 (30 minutes)*

In this talk we will provide an overview of the current theoretical status of observables that provide access to helicity PDFs and summarize the opportunities and challenges at the future EIC.

**Primary authors:** COCUZZA, Christopher (Temple University); SATO, nobuo (odu)

**Presenter:** COCUZZA, Christopher (Temple University)

**Session Classification:** Plenary Presentations

**Track Classification:** Plenary sessions: Plenary presentations
