

[RIBF-ULIC-Symposium-004] Impact of new triple alpha reaction rate on stellar evolution and nucleosynthesis

Contribution ID: 13

Type: **not specified**

Role of the triple-alpha reaction in the nu p-process

Saturday, 18 December 2010 11:20 (40 minutes)

Primary author: Dr WANAJO, Shinya (TUM/MPA)

Presenter: Dr WANAJO, Shinya (TUM/MPA)

Session Classification: aaa reaction rate at around 1GK
