

[RIBF-ULIC-Symposium-004] Impact of new triple alpha reaction rate on stellar evolution and nucleosynthesis

Contribution ID: 15

Type: **not specified**

TBA

Saturday, 18 December 2010 13:30 (30 minutes)

Primary author: Dr HAYAKAWA, Seiya (CNS)

Presenter: Dr HAYAKAWA, Seiya (CNS)

Session Classification: Measurements of the stellar reactions in explosive nucleosynthesis
