

[RIBF-ULIC-Symposium-004] Impact of new triple alpha reaction rate on stellar evolution and nucleosynthesis

Contribution ID: 16

Type: **not specified**

Studies on ${}^7\text{Li}/{}^7\text{Be}$ + alpha resonant scatterings

Saturday, 18 December 2010 14:00 (30 minutes)

Primary author: Dr YAMAGUCHI, Hidetoshi (CNS)

Presenter: Dr YAMAGUCHI, Hidetoshi (CNS)

Session Classification: Measurements of the stellar reactions in explosive nucleosynthesis
