Title:
1 st E(U)RICA Workshop

Brief Description: (free format)
The objective of this workshop is to elaborate the physics cases for the E(U)RICA spectrometer. E(U)RICA will be employed from the year 2012 at the F11 focus point at the BigRIPS fragment separator and utilized for isomer- and beta-delayed gamma-ray spectroscopy. It is anticipated that the results of the presentations and discussions will lead into the submission of scientific proposals for the 2nd NP-PAC of the year 2011.

Date of symposium:	From: yyyy / mm / dd	(to: yyyy / mm / dd)
