(*if you do not know how to take a screenshot, please ask TA or take a photo by your mobile phone*)

file copy from RIKEN's PC to your PC

private USB memory
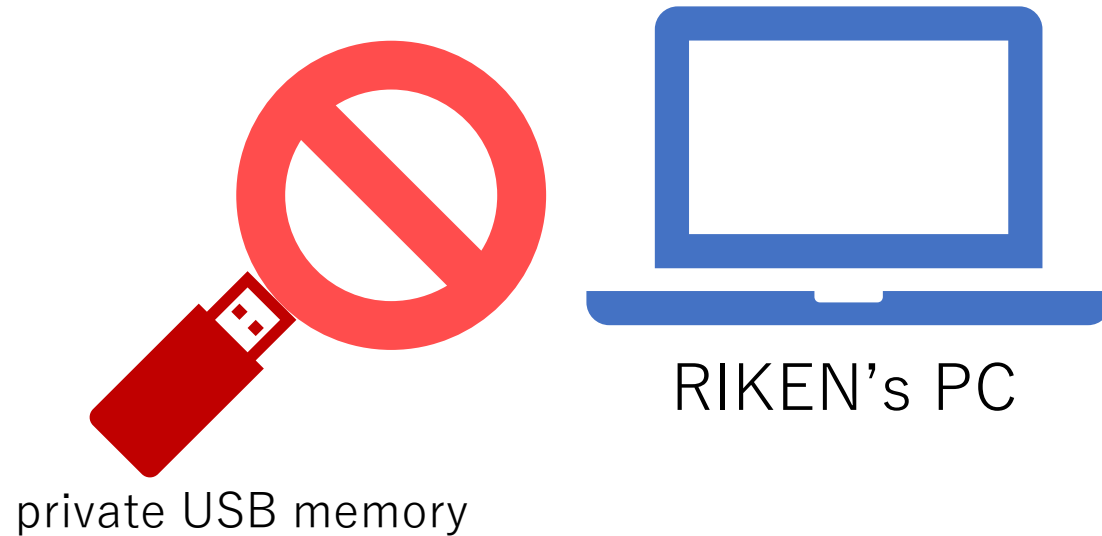

RIKEN's PC

if you are not sure how to copy files from RIKEN's PC to your PC
please ask your TA

follow Japanese law

alcohol : from 20th birthday
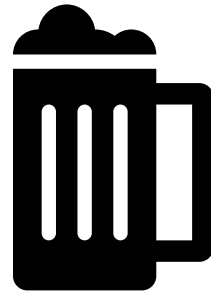

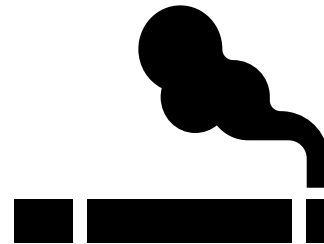

smoke : from 20th birthday

do not download / upload suspicious files through the internet

⚠️ you must not download or upload "copyright-violating" files
we do not care about you already have suspicious files on you PC.
In Japan, the act of downloading / uploading could be a problem.
Viewing streaming service is not a problem.

🚫 **BitTorrent**
if you are not sure about copyright issues,
do not use any file sharing software in Japan
(e.g. BitToreent, eDonkey, Xunlei...)

for your safety
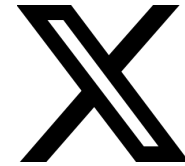

- use well-known services though the Guest network
  - for personal purpose, use your private PC / mobile phone
