

MNT2024 - Exploring the heavy exotic neutron-rich nuclides via
multinucleon transfer reactions

Contribution ID: 41

Type: not specified

**What is NEXT? A setup to study Neutron-rich, heavy,
EXotic nuclei produced in multinucleon Transfer
reacitons**

Wednesday, 3 July 2024 09:40 (30 minutes)

Presenter: EVEN, Julia (University of Groningen)

Session Classification: Session
