

MNT2024 - Exploring the heavy exotic neutron-rich nuclides via
multinucleon transfer reactions

Contribution ID: 62

Type: **not specified**

Origin of the r-process elements in cosmic evolution and nuclear physics

Thursday, 4 July 2024 15:35 (25 minutes)

Presenter: Prof. KAJINO, Toshitaka (Beihang Univerdity / University of Tokyo / NAOJ)

Session Classification: Session
