

MNT2024 - Exploring the heavy exotic neutron-rich nuclides via  
multinucleon transfer reactions

Contribution ID: 66

Type: **not specified**

**208Pb fragmentation at BigRIPS vs MNT reactions to  
produce N ~ 126 nuclei**

*Friday, 5 July 2024 09:10 (30 minutes)*

**Presenter:** PODOLYAK, Zsolt (University of Surrey)

**Session Classification:** Session
