

MNT2024 - Exploring the heavy exotic neutron-rich nuclides via
multinucleon transfer reactions

Contribution ID: 78

Type: **not specified**

**Separation of evaporation residues produced in MNT
reactions using JAEA-Recoil Mass Separator**

Tuesday, 2 July 2024 13:45 (30 minutes)

Presenter: NISHIO, Katsuhisa (JAEA)

Session Classification: Session
