

MAXI 15 Year Workshop for the Time Domain Astronomy

Thursday 12 December 2024

12-1 (09:00 - 10:25)

time	[id] title	presenter
09:00	[76] Understanding accretion from Black Hole Binaries	DONE, Chris
09:20	[90] Important roles of accretion rings in X-ray binaries	INOUE, Hajime
09:35	[91] Magnetic Heating as the Origin of Bright Hard State in Black Hole Candidates	MATSUMOTO, Ryoji
09:55	[92] 20 years of Winds in 4U 1630-47	PARRA, Maxime
10:10	[93] Tests of driving mechanisms of the accretion disk winds in X-ray binaries	TOMARU, Ryota
