

From Quarks to Neutron Stars: Insights from kHz gravitational waves

Thursday 24 April 2025

GRAVITATIONAL WAVES (09:20 - 10:40)

-Conveners: Kentaro Somiya

time	[id] title	presenter
09:20	[10] Gravitational Wave Discoveries — Now and the Near Future	SUN, Ling
10:00	[11] Astrophysics and fundamental physics with NEMO -- a kHz gravitational-wave observatory	LASKY, Paul

GRAVITATIONAL WAVES (11:10 - 12:15)

-Conveners: Soichiro Morisaki

time	[id] title	presenter
11:10	[12] Possible High Frequency Upgrade of KAGRA	ASO, Yoichi
11:40	[13] Advanced techniques to further improve the kHz sensitivity	SOMIYA, Kentaro
12:10	Announcements (Takahiro S Yamamoto)
