19-21 Feb 2026

Workshop on Heavy-Quark Exotics

Day 1 afternoon

Thursday 19 February

13:20

Day 1 afternoon: Day1 afternoon

Session

13:20-13:30 **Opening**

Speaker

Takumi DOI

13:30-14:10 **Overview of Lattice QCD**

Speaker

Takumi DOI

14:10-14:50 **Reconsideration of two-pion exchange potential**

Speaker

Daiki Suenaga

15:20-16:00 **Charmonia scatterings from lattice QCD**

Speaker

Yan Lyu

16:00-16:40 **Di-Jpsi scattering states with the quark Pauli-blocking effects**

Speaker

Sachiko Takeuchi

17:00-17:40 **Heavy hadronic molecules and their partners**

Speaker

Yasuhiro Yamaguchi

17:40
