

# Future Directions in High Energy QCD

## Thursday, 20 October 2011

### Overview (II) (10:50 - 12:40)

time	[id] title	presenter
10:50	[3] Experimental status and outlook of spin physics at RHIC	BOYLE, Kieran
11:20	[4] Theoretical status and outlook of spin physics	PROKUDIN, Alexei
12:00	[5] Future challenges of spin physics	YUAN, Feng
