

Session Program

27-30 Sept 2026

**Workshop on Origin of Hadron Mass -
Experimental Opportunities and Theoretical
Challenges**

scientific

Hiroshima University, Science Knot 2F Conference Room

Sunday 27 September

13:30

15:00

15:30

17:30

scientific: Session 1

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

scientific: Session 2

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

Monday 28 September

09:30

11:30

13:00

15:00

15:30

17:30

scientific: Session 3

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

scientific: Session 4

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

scientific: Session 5

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

Tuesday 29 September

09:30
11:30
13:00
15:00
15:30
17:30

scientific: Session 6

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

scientific: Session 7

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

scientific: Session 8

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

Wednesday 30 September

09:30

scientific: Session 9

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

11:30

13:00

scientific: Session 10

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

15:00

15:00

scientific: Closing

Session | **Location:** Hiroshima University, Science Knot 2F Conference Room

15:30
